## DIRECTOR'S MESSAGE

"Ahoy! Welcome to Franklinia Playhouse's production of Robert Louis Stevenson's swashbuckling adventure *Treasure Island*! Thank you to my cast; they are the most beautiful and hard working people I've ever had the pleasure of working with. I love each and every one of you. I thank my tech and Miss Julie for giving me this opportunity to learn and grow. I look forward to doing this again.

Lastly, thank you to my Quartermaster, Fin Nadekow. I could not have done this without my friend and brother. A proper pirate as ever was.

Now, we have our heading. Secure the rigging, bring her hard to starboard, lay to, and steady as she goes! It's off to **TREASURE ISLAND!**"
